Our success stems from our industry focus, which enables us to provide an innovative and personal service to clients in niche markets.

Enhancing the business performance of our clients is a core objective of the firm. Our services now extend to business organisation, strategy, financial and risk management, accessing capital and liquidity management. As a result, we are able to offer bespoke tax and wealth management solutions which meet the objectives of our clients and their families.

Specialist sectors include credit unions, healthcare, banking recovery and restructuring, agriculture and education, while maintaining our predominant foothold in the Irish SME sector.
